RE: Guidelines on the use of Ascent Official Vehicles

Guidelines on the Use of Ascent Official Vehicles

1. Purpose

These guidelines are issued to ensure the proper, efficient, and accountable use of company-owned vehicles assigned to the Ascent Head Office. All personnel are expected to adhere strictly to these rules to maintain operational discipline and cost efficiency.

2. Official Vehicles and Their Designated Purpose

2.1 Vehicles Assigned for iScout Device Retrieval

The following company vehicles are designated exclusively for the retrieval and delivery of iScout devices and other related operational logistics:

HO	TRAVIZ1	NGL5046
HO	TRAVIZ2	NGL5068
SUBIC/HO	TRAVIZ4	NGS6544
HO	TRAVIZ5	NGS6548
BATANGAS	TRAVIZ6	NET3244
HO	TRAVIZ7	NKC 1401
HO	TRAVIZ8	NKC 2872
HO	DMAX	NGQ6741
CEBU	LITEACE	GBB3131
DAVAO	LITEACE	LAR9673

Note: These vehicles must not be used for any other purpose unless expressly authorized by an Ascent Authorized Official.

2.2 Vehicle Assigned for Official Meetings

The following vehicle is designated solely for official meetings, client visits, or other approved company functions:

Toyota Grandia – AAY 2636

Note: Use of the Toyota Grandia for personal errands or non-official purposes is strictly prohibited.

3. Prohibition on Personal Use

All official vehicles are for official business use only.

- Personal use is strictly prohibited unless expressly approved by the Finance and Admin Manager or his authorized approver.
- Pick-up or drop-off from residence to office and vice versa is not allowed under any circumstances, except when specifically authorized for official purposes (e.g., deployment, emergency response).

4. Vehicle Dispatch and Usage Procedures

All requests for vehicle use must be properly logged in the Vehicle Dispatch Logbook or the official tracking system (manual or digital) before departure.

The request must specify:

- Purpose of use
- Destination
- Odometer Reading before departure and return
- Time of departure and return
- Name of requesting personnel
- Drivers must secure approval from the Admin Department prior to dispatch.
- Unauthorized trips or deviation from the approved destination are strictly prohibited.

5. Fuel and Toll Fee Policy

- Drivers and requesting personnel must exercise prudence in fuel and toll use.
- Avoid passing through paid toll gates unless necessary for operational efficiency or travel safety.

- Short-distance toll usage (e.g., entering NAIAX from the office and exiting at Roxas Boulevard or Macapagal Avenue) is strictly discouraged and considered unauthorized use of company funds.
- Fuel and toll receipts must be submitted with the trip log for monitoring and audit purposes.

6. Vehicle Care and Accountability

- Drivers are responsible for maintaining vehicle cleanliness, safety, and proper documentation (registration, insurance, etc.).
- Drivers are strongly advised to avoid prolonged engine idling to conserve fuel and minimize unnecessary wear and emissions.
- Any damage, traffic violation, or accident must be reported immediately to the Admin Department.
- Smoking, eating, or sleeping inside the vehicles is prohibited.
- Drivers and passengers must observe proper decorum and company image while using company vehicles.

7. Disciplinary Action

Any violation of these guidelines, including unauthorized use, negligence, or misuse of official vehicles, shall be subject to disciplinary action in accordance with company policies. Repeated or severe violations may result in suspension or termination.

8. Effectivity

These guidelines take effect immediately upon issuance and shall remain in force until amended or revoked by management.
